**July
2014**

Dear Friends,

THANK YOU SO MUCH to all who have contributed to the smooth running of the Alpha Course over the last ten weeks, both in the organising, preparing and serving of the food and in helping to lead the course.

Time will reveal more fully what God has done in the lives of those who attended, as people look back and reflect on what has happened as a result. Those of us involved in running the course have been encouraged both by what we have seen of God at work and by the drawing closer to one another in fellowship which working together has brought about.

We look forward now to the Music Festival and (we hope) to more fine weather and, if we have holidays planned, the opportunity to relax and be refreshed.

Please continue to pray for Meriam Ibrahim, the Sudanese Christian woman, and her family. Although her death sentence has been lifted, she has yet to be allowed to leave Sudan and reports say that the little girl to whom she gave birth whilst in chains may have been left permanently disabled because of the cruel circumstances in which she was born.

Yours sincerely,

Michael
