

Dear Friends,

Having just celebrated Pentecost, and the great outpouring of the Holy Spirit which brought the Christian Church into being and empowered its astonishing spread and growth around the world, it's appropriate that we should turn our attention to growing our own churches locally.

The capital of the past is now almost spent. We can no longer rely on people returning to church life in their later years as we've been able to do in the past. Most people in Britain now have never been part of a church at any point in their lives!

The command of Jesus has always been that those who are His disciples must "**make disciples**" (Matthew 28:19). But how?

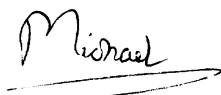

The culture in which we live does not make it easy for us to share our faith in Jesus, and therefore we need help and encouragement to do so. Can I urge you, therefore, to come on the four-part course, "*Just Walk Across the Room*", which will begin in the upstairs hall at St Teilo's at **7.30pm on Tuesday June 9** and run on **Tuesday evenings until June 30**.

There's nothing more thrilling than to see someone come to faith in Jesus Christ, and to see the transforming power of the Holy Spirit at work in them as attitudes and outlooks begin to change and the evidence of a brand new relationship with God and love for Him shows itself. As Jesus said, "**The wind blows wherever it pleases. You hear its sound, but you cannot tell where it comes from or where it goes. So it is with everyone born of the Spirit.**" (John 3:8)

The devil will whisper into our hearts that God would never use us to win others for him, but the devil, of course, is a liar (John 8:44) and fearful of what he knows can happen when Christians reject his lies and listen to Jesus their Lord.

So please do come and be encouraged and built up as a disciple of Jesus Christ.

Yours sincerely,
